BIOGRAPHY

Since forming in Jan 06 “After Party” has quickly been turning a lot of heads. Featuring three of Australia’s premiere performers, DJ Cotton, Pedro Virgil & Ty Hamilton. “After Party” comprises various styles of RnB, Soul, Hip Hop, Funk, Country, Rock n Roll, and Retro to produce a truly memorable entertainment spectacular! All three members have had a solid base in the music industry with various elements complimenting each others in turn to create the “After Party” sound.

The sound is produced using the latest in audio technology which is woven seamlessly into a heavenly mix of three part vocal harmony, producing a new and fresh sound, while reminding the audience of those yester years gone bye. The three lads are easily recognizable from previous groups such as “DTY” (DJ & Ty) & more recently “3:27” (DJ & Pedro)!

Together the guys produce a show for all ages guaranteed to please everyone.

From the rockin 50’s, all the way through to today’s current hits, the “After Party” will not disappoint.
