

# ELVIS YOUNG

The Early years of Elvis

**The Year was 1956 and it seemed that from out of nowhere came a 21 year old kid from Tupelo Mississippi he was raw and ready to rock and shock the conservative establishment.**

**Elvis Presley was new unique and exciting he was the first true Rock and Roll star, Elvis toured relentlessly to sell out shows across America through out the fifties until his film career became his main focus.**

**Elvis was wild and some said even dangerous he changed the culture of middle class society with his music and teenagers everywhere could not get enough of this outrageous hillbilly rocker.**

**So let us take you back to a time when the boundaries were pushed and the youth dared to be different a time where music was wild and rock n roll was young and so was Elvis.**

**Elvis Young has been a year in rehearsals creating an authentic early Elvis replica performance the aim of Elvis Young and band are to hopefully give those the opportunity to peek at what an early Elvis live performance would have been like way back when.**

**The show is an accurate portrayal the way Elvis originally was as a rhythm and blues man with his roots firmly planted in that early rock n roll riff that had the audience shaking in the aisles.**

**Elvis Young show has paid attention to detail with early instruments almost identical to the period of Elvis Presley Scotty Moore Bill Black and DJ Fontana. It is a theatrical representation and as close to authentic as you could get.**

**With 21 year old Mitch Capone a seasoned theatrical performer as Elvis who has performed in jazz festivals and clubs and theatre productions since his early teens and most recently playing the roll of Cole Joy in shout.**

**The band who have been professional session players have toured both here and overseas with the likes of Cliff Richard The Shadows The Monkees Eric Burden The Village People The searches and many others.**

**Elvis young is a show that is vibrant uplifting and heart felt representation of the greatest rock n roll artist of all time so come and be apart of the magic when Rock n Roll was Elvis and Elvis was Young.**
