

BIOGRAPHY

Jam are a talented, exciting, infectious and enthusiastic group who take their ROCK very seriously. Only recently formed, the members have been rocking Newcastle for years. The members together have over 20 years experience and their performance and musical achievements are a reflection of their professionalism and commitment to the local music scene.

Jam transmit a "Pub Rock" sound that boats both funk & grunt and are guaranteed to get your heart started. Their sets are jam-packed with fast & fresh as well as classic tunes.

Their set list include songs by artists such as: Blink 182, The Living End, Lenny Kravits, Jet, Greenday, Ataris, Wolfmother, Hunters & Collectors, Incubus, Metallica, Pearl Jam, The Wrights, The Beatles, Red Hot Chili Peppers, Foo Fighters, Brian Adams, Baby Animals, Fuel, Diesel, Stone Temple Pilots and many more
