

LENNI J DUO

BIOGRAPHY

The Lenni Joseph duo features the combined musical talents of Matt Benton and Lenni Joseph. It has been said of Lenni J that he has the voice of Jamiroquai and the vibe of David Bowie. A consummate performer who loves to perform live and loves the buzz of energy from the crowd. His amazing charisma and musicality always shines through to create the most beautiful, entertaining and peaceful evening for all who lay their ears on his individual and moving sound!!!

The duo also features the brilliant Matt Benton (guitarist / vocalist) who has performed in front of thousands of crowds throughout Australia, both as a solo artist and with groups such as Ocarina and Mynd Body Soul. Benton released "Satellite ep" in Jan 2005 and has been selling and distributing independently, to great acclaim.

The Lenni J duo have become one of the most sort after original / covers acts on the south east coast of Oz. With their harmonizing capabilities and brilliant musicianship, the duo features tow amazing performers who are distinctive and seasoned live performers. A perfect mix of amazing vocals and contemporary musicianship always leaves the audience wanting 'just one more song'!
