BIOGRAPHY

Nesian is a fresh, funky yet eclectic trio consisting of three highly talented musicians - Daniel March, Alama Amosa and Crocqhenni Lucero who together have an amazing blend of smooth vocal harmonies.

Their name originates from each of the group members backgrounds, with their main musical influences and performance centred around RnB, reggae, pop, rockn'roll and jazz. Daniel (guitarist/ instrumentalist) has developed a reputation as a great musician around the Newcastle scene, and cites his early guitar influences as Wyclef and Jimmy Hendrix.

Alama (keys and vocals) developed his love for music at a young age and has been influenced by such acts like George Benson, Donna summer, brothers Johnson and sly stone. Crocqhenni (vocalist/percussionist) comes from a family of renowned professional musicians and he has been performing for many years.

With a love of music that was evident from the age of 4, Crocq is a multi-instrumentalist who plays keyboards, guitar, drums and percussion.

Now together as Nesian, this highly acclaimed group plays a wide range of musical genres - from past to present catering for all age groups, for any occasion.
