

The Psychic Detectives Duo

The Psychic Detectives play a wide range of hits, catering to audiences of all ages. They bring the perfect mix of classic hits and fresh grooves with style all their own. *The PD*, typically a trio, is now available as a duo with Matt and Danni Benton so that audiences of all sizes and budgets can enjoy their show.

Matt Benton is a seasoned performer from the Central Coast who always brings a distinct style and versatility to his show. He began singing at the age of six and has since performed for thousands of crowds throughout Australia. Whether it's a pub or a club, a function, or a more intimate setting, Benton never fails to make an impression.

He has played alongside Aussie heavyweights such as *Mental as Anything*, *Dragon*, *Sparkadia*, *Lior*, *Angus and Julia Stone*, *Mick Hart* and *The Radiators*. And has held long term residencies at bars, restaurants and clubs in Sydney, Newcastle and the Central Coast.

Danni Benton is an electric young performer, whose vocal talent and charisma combine to rival female performers the world over. With 5 years of performing experience and still only in her early twenties, Danni brings the stage presence of Pink and Madonna with the vocal sound to match.

As a graduate of *The Hunter Institute of Performing Arts*, Danni has both formal and practical background in the art of performance.

Danni has worked as a professional dancer and choreographer for the last four years. With dance, another of her talents, Danni brings a rhythmic and highly charged performance as the feminine element of the *Psychic Detectives*. Her choreography and effervescent stage presence bring the energy and style to match the band's disco/funk sound.

Danni's work in the *Soul Sounds Project* and *The Psychic Detectives* makes it hard to compare to just one or two known artists. Her vocal range begins at Soul, Blues, R&B, Rock, 70's disco and funk and continues right through to dance, ballads and country rock. Danni Benton is the jewel in the crown of *The Psychic Detectives*.
