

# ROCK FACTOR

If you're looking for an band that that performs straight ahead rock music, then Rock Factor are the act for you. Their no compromise attitude towards good old rock tunes is sure to be appreciated by all who see them. They have grown up with pub rock and you can sense it coursing through their veins.

The boys have made a conscious decision to do what they do best, belt out good old fashion rock 'n' roll music. The song list includes tunes from AC/DC, Nickelback, the Angels, Australian Crawl as well as 3 Doors Down and the Radiators. Add to this songs by Greenday, The Rolling stones, Deep Purple, Stevie Ray Vaughan and Powderfinger, it demonstrates the Rock Factor's ability to cater for those with a taste simply for the best rock music.

The boys pay tribute to the greatest Rock acts in their performances including a heap of home-grown Aussie rock music that the crowd loves to hear. If you're looking for an act that's something out of the ordinary and that have the balls to say no to commercially sound lounge music, then Rock Factor are sure to please.
