

# FINAL WARNING

All torn down  
April sun in Cuba  
Hard act to follow  
Better  
Got you on my mind  
Play me some country  
Pretty Vegas  
Sweet home Alabama  
Walking  
Bad case of loving you  
All the small things  
Blister in the sun  
Kryptonite  
The middle  
She hates me  
What I like about you  
Run to paradise  
Hurts so good  
Your mamma don't dance  
When I come around  
Hard to handle  
Boys in town  
Who knew  
Whats up  
Tainted love  
Are you gonna be my girl  
Place your hands  
Saturday nights alright  
Pappa don't preach  
Nothin but a good time  
You shook me all night long  
Hit me with your best shot  
Fortunate son  
Tush  
Teenagers  
Rock and roll
